Hempel Names Rother Vice President of Property Management

Maple Grove, MN – Monday, February 25, 2008 – Hempel Properties promoted Lisa Rother, RPA, FMA to Vice President of Property Management. Rother joined Hempel in 2006 as Senior Property Manager overseeing Hempel's entire portfolio and managing UBS Plaza in downtown St. Paul.

Since Rother joined Hempel, the firm has added approximately 500,000 square feet of office and retail property to its portfolio and Rother has focused on recruiting new managers and building the property management division. Rother also manages the property business planning, budgets and capital improvement planning and ensures the flawless operations throughout the Hempel portfolio. "Lisa is a great leader and has built a strong management team for Hempel," states Josh Krsnak, Executive Vice President of Operations at Hempel.

Rother has achieved the designations of Real Property Administrator (RPA) and Facilities Management Administrator (FMA). Both designations require rigid and exhausting coursework and testing requirements by the Building Owners and Managers Institute International (BOMI).

Rother is involved with the St. Paul Building Owners and Managers Association (BOMA) and was elected to the board to serve the maximum two terms. While on the board, Rother worked closely with the City of St. Paul on their skyway codes and ordinance evaluations. She is also a member of the Greater Minneapolis BOMA and is active in the Education and Programs Committee.

About Hempel Properties: Hempel Properties is a Minneapolis/St.Paul- based developer of retail, hospitality, office, multi-family and industrial properties nationwide.
